The new Beetle and Beetle Cabriolet
Models shown are new Beetle Cabriolet Dune with optional Bi-xenon headlights, tonneau cover and metallic paint.
Serious style designed for fun.

The Beetle is back. Dynamic, sleek and eye-catching, but still with curves in all the right places. Choose from the new Beetle or new Beetle Cabriolet, two real characters delivering serious style that's designed for fun. Retro styling maintains their iconic look, while a host of refinements makes them sportier and more distinctive than ever.

With plenty of options to individualise your Beetle to suit your character and driving style, this is your opportunity to create a real showstopper.

Front cover model shown is Beetle Cabriolet R-Line with optional 20” ‘Monterrey’ alloy wheels, ‘Vienna’ leather upholstery, Bi-xenon headlights, light and sight pack and metallic paint.

Model shown is new Beetle Design 1.4 TSI 150 PS with optional 18” ‘Ashmie Adamantium’ alloy wheels, Bi-xenon headlamps, panoramic sunroof and non-metallic paint.
There’s no mistaking the new Beetle and Beetle Cabriolet. The flatter bonnet and sharper roofline create a contemporary look that delivers real sports appeal. The stylishly designed sport-styled bumpers provide charisma and character, ensuring a design that’s as edgy and iconic as ever.
01 The electric power hood of the new Beetle Cabriolet opens up in just 9.5 seconds and can be operated while on the move at speeds of up to 31mph. When closed, the taut fit of the multilayered fabric hood, along with the rear safety glass, ensures acoustic noise is kept to a minimum, while its fine quality materials and high standard of workmanship provides exceptional durability against the weather. Depending on your choice of vehicle colour, the electric power hood is available in Black or Nutria Beige. Please see page 41 for more details.

02 Tinted rear light clusters fit flush with the contoured curves, enhancing the sculpted lines of the rear design while creating a high quality look with real sports appeal. Model shown is new Beetle Cabriolet Design with optional non-metallic paint.

03 The optional electrically operated panoramic sunroof fills the interior with natural light and fresh air, as well as providing generous views of your surroundings. Easily operated and adjusted, it can be opened or closed by up to 90° and includes an integrated wind deflector, allowing you to enjoy fresh air and sunshine even on faster journeys. Tinted glass and manually operated sunblind ensure a pleasant interior temperature even in direct sunlight. Optional on Design, R-Line and Dune models. Model shown is new Beetle Design with optional non-metallic paint.
The interior styling of the new Beetle and Beetle Cabriolet is stylish and contemporary, with the premium feel you would expect from a Volkswagen. Subtle design touches hark back to the Beetle’s impressive heritage, yet this is a thoroughly modern model. Functionality and ergonomics go hand in hand in the new Beetle. The premium quality dashboard is angled towards the driver for optimum driving convenience, placing the entertainment & info touch controls within easy reach and every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the new Beetle and Beetle Cabriolet is so much fun.
The new Beetle and Beetle Cabriolet offer an impressive entry-level specification, with a wide range of features and refinements fitted as standard, ensuring total comfort and convenience for the driver and passengers alike. What's not to like?

A modern-day classic.

The ‘Gloss Black’ dashpad, ‘Web’ cloth upholstery, frameless design rear-view mirror and white adjustable panel illumination create a stylish interior, with ‘Climatic’ air conditioning, front electric windows, heated rear windscreens and electrically heated and adjustable rear mirrors adding to your comfort and convenience. Practical details include a unique ‘Beetle’ storage compartment in the dashpad, storage compartment in the front centre armrest, easy entry sliding front seats and split folding rear seat backrest, allowing you to transport large objects. The entry level Beetle and Beetle Cabriolet are nothing short of impressive. Interior shown features optional metallic paint.

Model shown is new Beetle with optional 16” ‘Whirl’ alloy wheels, Bi-xenon headlights and metallic paint.
Instant attraction.

Choose the new Beetle and Beetle Cabriolet Design and you are making a statement that you are your own person. Elegant, stylish and as individual as you are, it makes a real style statement, while its high level of specification ensures an exceptional driving experience.

01
Body-coloured door sill protectors with chrome inserts and a chrome strip on the base of the side windows create a stylish look, while the rear tailgate spoiler on the new Beetle and twin exhaust tailpipe add a touch of sportiness.

Please note, rear tailgate spoiler and twin exhaust tailpipe are only available on 1.4 TSI 150 PS engines on the Design model.
Spoil for choice?

The new Beetle and Beetle Cabriolet Design features a ‘Platinum Grey’ centre console with the dashpad, interior door panels and steering wheel inserts perfectly complementing your chosen exterior paint colour, allowing you to express your personality to the full.

**Spoil for choice?**

The new Beetle and Beetle Cabriolet Design features a ‘Platinum Grey’ centre console with the dashpad, interior door panels and steering wheel inserts perfectly complementing your chosen exterior paint colour, allowing you to express your personality to the full.

**Pure White Non-Metallic**

**Black Non-Metallic**

**Tornado Red Non-Metallic**

**Blue Silk Metallic**

**Platinum Grey Metallic**

**Dark Bronze Metallic**

**Ameleva Blue Metallic**

**White Silver Metallic**

**Habanero Orange Premium Signature**

**Deep Black Pearl Effect**

The interior of the Design looks stunning, with the dashpad, interior door panels and steering wheel inserts matching the exterior paint colour. Other features include chrome detailing on the air vent surrounds, instrument cluster and radio surround, front and rear carpet mats and vibrant ‘Pepita’ cloth upholstery. The unique Beetle storage compartment above the pays homage to the vehicle’s unique heritage, while the Composition Media infotainment system, with its 6.5 inch colour touch-screen, MDI (Multi Device Interface) connection and SMS functionality, brings it right up to date. Please see page 40 for more details.

Interiors shown feature optional ‘Fender’ premium soundpack, light and sound pack and climate control – ignite electronics air conditioning.
The new Beetle and Beetle Cabriolet – R-Line

With its distinctive looks and sporty finish, the new Beetle and Beetle Cabriolet R-Line cuts a dash in any setting: at home, on holiday, at work. The R-Line creates real road presence, demanding to be noticed wherever you are.

Self-confident, sporty, refined.

To the rear, tinted glass from the B-pillar back (not Cabriolet models), and a twin exhaust tailpipe complete the look, that just has to be noticed.

Models shown are new Beetle R-Line with optional metallic paint and new Beetle Cabriolet R-Line with optional 19” ‘Tornado’ alloy wheels, Bi-xenon headlights, ‘Vienna’ leather upholstery, tonneau cover and premium signature paint.
If you’re looking for an interior that exudes sportiness but still knows its heritage, the new Beetle and Beetle Cabriolet R-Line more than deliver, with a whole host of advanced features and design details close at hand.

01 Door sill protectors in aluminium feature the unique ‘R-Line’ logo. Whilst looking good, they also protect the door sill area from scuffs and scratches.

02 Front sports seats are finished in contemporary ‘Kyalami’ cloth upholstery, with an embroidered ‘R-Line’ logo on the head restraints. The Crystal Grey ‘Microfibre’ side bolsters not only look good, but provide excellent lateral support when cornering, while manual seat height and lumbar adjustment allows you to find your perfect driving position.

03 Interior features include a leather trimmed multifunction steering wheel with ‘Gloss Black’ inserts, ‘R-Line’ logo and contrast stitching, aluminium look pedals and ‘Gloss Black’ dashpad, interior door panels and steering wheel inserts complete with ‘R-Line’ logo. Ambient lighting and climate control – 2-zone electronic air conditioning creates a relaxed interior, and sports instrument dials provide vehicle information such as the turbocharger boost pressure and engine oil temperature, with a stopwatch to measure journey times.

Interior shown is new Beetle R-Line with optional ‘Fender’ premium soundpack, light and sight pack and metallic paint.
Stylish, rugged and distinctive, there’s no mistaking the new off-road Beetle and Beetle Cabriolet Dune. Paying tribute to the original Beetle off-road conversions, including the famous Baja Beetle, the new Beetle Dune is engineered and styled for adventure, adding an exciting new dimension to the Beetle line-up.

Are you ready for adventure?

Stylish 18 inch ‘Mythos’ alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts are exclusive to the Beetle and Beetle Cabriolet Dune. Their rugged and stylish design provides the perfect accompaniment for the Dune’s exclusive interior. Image shown features optional Dark Bronze metallic paint.
The new Beetle and Beetle Cabriolet – Dune

The Dune is a real free spirit, body evocative of exploration, adventures and distant lands, adding a fresh new look to the Beetle family. It’s sporty, fun and full of character, just waiting to take you in a new direction.

Styled on the past, built for the future.

Model shown is new Beetle Cabriolet Dune with optional Bi-xenon headlights, tonneau cover and metallic paint.

Inside is just as exciting as outside. The doors and dash continue the dynamic colour scheme, highlighting the sports tuner seat clubs, while front sports seats, with height and lumbar adjustment are finished in ‘Turmeric’ cloth upholstery. The two-tone three-spoke multifunction steering wheel bears the ‘Dune’ logo and features ‘Dark Ceramic Turmeric’ stitching, which in all but black paint finishes, is repeated on the gear shift gaiter and door trims. On automatic models, the steering wheel also features paddle shift. Fold-down armrest includes automatic centre storage leaving floor lighting function, rain sensor and automatic dimming rear view mirror front and rear parking sensors and side sensor, enhancing this strong expression of the Dune theme. Image shown is new Beetle Dune with optional ‘Fender’ premium soundpack, Discover Navigation touch-screen navigation/infotainment system, climate control - Blower electronic control and seat and window paint.

The ride height is raised 10mm above the standard car’s and features include a wider track, extended rear wheel arches with matt black grained protection, 18 inch ‘Mythos’ alloy wheels and bold new off-road bumpers. Its adventurous character is emphasised by eye-catching paint colours, a large silver framed front grille with black honeycomb grid, Dune door decals and ‘Reflex Silver’ door sills, underbody trims and side of protection with matt black grained inserts underscoring its dynamic image. To the rear, an extended spoiler, ‘Reflex Silver’ diffuser in ‘Reflex Silver’, twin exhaust tailpipe (2.0 TDI 150 PS only) and new LED lights create a futuristic yet rugged and capable look.
01 The Composition Media infotainment system is equipped with an impressive 6.5 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, dash-mounted single CD player, MDI (Multi Device Interface) via USB connection – compatible products only, an AUX-in socket for connection to an external multimedia source, such as a MP3 player and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices; entertainment packing of 2 compatible mobile devices, OBD functionality - allowing you to read, compute and send SMS messages using the touch-screen display to a compatible Android smartphone before the vehicle is stationary, idle and cover art, lyrics and track information display from MP3, WMA and AAC. Some through light speakers, front and rear non-standard L1 mountable.

02 The Discover Navigation touch-screen navigation/infotainment system with Car-Net ‘Guide and Inform’ builds upon the impressive Composition Media system, but with additional software modules which provide added functionality. This system offers preprogrammed European navigation data, 3D EZ-view which can be easily followed on the 6.5 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+ branded points of interest and Speed Limit Display. If your car’s Car-Net ‘Guide and Inform’ access makes it possible to programme traffic information closer into your local public and interested points of interest to the navigation system. The service also includes information for fuel station location and pricing, car parks, weather and news feeds. Optional on all models.

03 The ‘Fender’ premium soundpack delivers a unique audio experience thanks to the 400 watt output from the eight speakers and Panasonic/Fender subwoofer. The visual experience is created with ambient illumination around the speakers, door panels, lighting strip under the door trim and the LEDs on the loudspeaker ring. Optional on Design, R-Line and Dune models. Model shown features optional non-metallic paint.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your nearest Volkswagen retailer for specific phone compatibility.
2 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of ‘Guide and Inform’ services.
3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
Volkswagen Connect®

All your car’s information. All in one place.

Volkswagen Connect is the easy way to connect your new Beetle and Beetle Cabriolet to your smartphone. It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.

Getting started is easy. Follow these simple steps to find out how Volkswagen Connect® can provide you with help and information on every journey.

Step 1
Download the free Volkswagen Connect® App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2
Follow the instructions in the App.

Step 3
Put the DataPlug onto the diagnostic port that you’ll find below the steering wheel.

Step 4
Connect via Bluetooth.

Step 5
That’s it.

For a list of all compatible models and for more information visit www.vwconnect.com

My Volkswagen.

The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Trips.

This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Driving style.

This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Parking space.

The app automatically remembers where you’ve parked. And while you’re away from your car, it’ll show you how long you’ve been parked for.

Fuel monitor.

Everything you need to know about your vehicle’s fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Service partner.

Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Assistance call.

Just press and call Volkswagen’s 24-hour helpline where you’ll be put straight through to Customer Service. And if you’re not sure where you are, don’t worry, it transmits your location directly to them.

Challenges.

This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.
A little assistance, for when you need it.

A whole range of innovative driver assistance systems are available to make driving and parking easier than ever, helping to keep you safer, more relaxed and in control.
The comprehensive airbag system includes driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's and front passenger's combined head and side airbag system. Standard on all Beetle models. Front side airbag system with curtain airbags are optional on Beetle models. Image shown is for illustration purposes only and may not necessarily reflect UK specification.

The Keyless entry system enables you to enter and exit your vehicle without taking the key out of your pocket. Once inside, as long as you have the key on you, the engine can be started without inserting the key into the ignition by simply pressing the button in the centre console. On convertible models, you also have the facility to remotely operate the convertible roof. Optional on Design, R-Line and Dune models.

The stylish sports instrument dials sit on the dashboard, with gauges for the turbo boost pressure, oil temperature and a stopwatch to measure journey times. Standard on R-Line and optional on Design and Dune models.

Climate control – 3-zone electronic air conditioning with automatic air recirculation and allergy filter has dual zone temperature control for the driver and front seat passengers, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function. Standard on R-Line and optional on Design and Dune models.

Side Scan provides assistance if you want to change lanes from speeds of 37mph upwards. Sensors in the rear of the vehicle monitor the traffic and should they detect any road users in your blind spot or vehicles approaching quickly from behind, the system will alert you via a warning light within the door mirror housing and an audible warning within the vehicle. Optional on all models.

The Electronic Stability Control (ESC) utilises sensors to detect critical situations at any stage, meeting within milliseconds by controlling the speed of individual wheels, helping to bring the vehicle under control. A careful driving style is essential, however, as even Electronic Stability Control cannot extend beyond the laws of physics. Standard on all models.
Personalise.

Black is understated and refined, adding a touch of luxury and sophistication. Transform your new Beetle or Beetle Cabriolet with the optional Black style pack or exterior decal stripes. Specify the style pack and the exterior is transformed with black styling hints to the alloy wheels, roof or hood front air intake, door protectors and door mirrors, all which combine to make this very special addition turn heads.

01 Available as an option for Design models is the Black style pack. Consisting of stylish 17 inch ‘Rotor Black’ alloy wheels with 215/55 R17 tyres, they match perfectly with the black roof and tailgate spoiler, or hood and rear tailgate spoiler on convertible models. Also finished in black is the front air intake, door mirrors with integrated indicators and the lower door protectors with chrome inserts. Optional on Design models.

02–03 The decal stripes are available in black or silver, adorning the roof, bonnet and rear tailgate on the Beetle, and the bonnet and rear spoiler on the Beetle Cabriolet, giving your new Beetle or Beetle Cabriolet an even more striking and expressive appearance. Optional on Design 1.4 litre TSI 150 PS and R-Line models. Image shown is new Beetle Design 1.4 litre TSI 150 PS with optional rear tinted glass, Light and sight pack, Bi-xenon headlights and non-metallic paint.

04 Model shown is new Beetle Design with optional Black style pack, Bi-xenon headlights and non-metallic paint.
Wheels.

01 steel wheels with 215/60 R16 tyres and full-size wheel trims.
Standard on Beetle and Beetle Cabriolet models.

02 'Black' with drawn effect rim. 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Standard on Design models.

03 'Twister' 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Standard on R-Line and optional on Design models.

04 'Mythos' 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Standard on Design models.

05 'Whirl' 6½J x 16" alloy wheels with 215/60 R16 tyres and anti-theft wheel bolts.
Optional on Beetle and Beetle Cabriolet models.

06 'Orbit Black' 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts.
Optional on Design models.

07 'Rotor' 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts.
Optional on Design models as a no-cost option.

08 'Discus' 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts.
Optional on Design models. Optional on R-Line models as a no-cost option.

09 'Ashmie Adamantium' 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts.
Optional on Design models. Optional on R-Line models as a no-cost option.

10 'Mythos Sandstorm' 8J x 18" alloy wheels with 235/40 R19 tyres, anti-theft wheel bolts and sports suspension.
Optional on Dune models as a no-cost option.

11 'Tornado' 8J x 19" alloy wheels with 235/40 R19 tyres, anti-theft wheel bolts and sports suspension.
Optional on R-Line models.

12 'Monterrey' 8J x 20" alloy wheels with 235/35 R20 tyres, anti-theft wheel bolts and sports suspension.
Optional on R-Line models.

Images shown feature optional non-metallic and metallic paint.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

- **4x4**
  - **Touareg:** The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, 4MOTION as standard.
  - Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan, Tiguan Allspace and Passat and Passat Estate 4MOTION models.

- **Sporty**
  - **Golf:** As exciting to drive as it is to look at. Style, performance and power. You will also find our sporty gene in the iconic Golf GTI, Golf GTD and Golf R.

- **Style**
  - **Beetle:** The original icon. And still the most a square way to make a baphazard statement. For real fun with the top down, why not consider the Beetle Cabriolet.

- **Spacious family cars**
  - **Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.
  - If it’s space you’re after, then you might also like to consider the Tiguan, Tiguan Allspace, Golf SV, Golf Estate, Touran and Passat Estate.

- **City run around**
  - **up!** The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.
  - If you’re looking for something slightly more spacious, then why not consider the up!’s bigger sibling, the Polo. City run around practicality with more sensibility and even more space can be found on the iconic Golf.

- **Executive**
  - **Volkswagen Passat:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative Saloon.
  - All the luxury you need can also be found in the Jetta, as well as the spacious, stylish and practical Passat Estate.

To see these models and configure your ideal Volkswagen, visit: [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

#### Specifications

**Engine Type:**
- Four cylinder
- Four cylinder
- Four cylinder
- Four cylinder
- Four cylinder

**Cubic Capacity:**
- 1.2 litres/1197 cc
- 1.2 litres/1197 cc
- 1.2 litres/1197 cc
- 1.2 litres/1197 cc
- 2.0 litres/1968 cc

**Max. Output:**
- 105 PS (77 kW) at 4500-5500 rpm
- 105 PS (77 kW) at 4500-5500 rpm
- 105 PS (77 kW) at 4500-5500 rpm
- 105 PS (77 kW) at 4500-5500 rpm
- 150 PS (110 kW) at 5000-6000 rpm

**Max. Torque:**
- 129 ft-lbs (175 Nm) at 1400-4000 rpm
- 129 ft-lbs (175 Nm) at 1400-4000 rpm
- 129 ft-lbs (175 Nm) at 1400-4000 rpm
- 129 ft-lbs (175 Nm) at 1400-4000 rpm
- 185 ft-lbs (250 Nm) at 1500-3500 rpm

**Gearbox:**
- 6-speed manual
- 6-speed manual
- 7-speed DSG
- 7-speed DSG
- 6-speed manual

### Notes

- **Unladen weight**: Unladen weight is the weight of the vehicle without any passengers or cargo.
- **Payload**: Payload is the maximum weight that can be carried by the vehicle, including passengers and cargo.
- **Torque**: Torque is the twisting force that the engine applies to the wheels. It is measured in either foot-pounds (ft-lbs) or Newton-meters (Nm).
- **Acceleration**: Acceleration is the time it takes for the vehicle to accelerate from 0-62 mph (100 km/h).
- **Environmental Information**: Environmental information includes fuel consumption, CO2 emissions, and other relevant data.
Fuel consumption and CO2 figures are obtained under standardised EU test conditions. The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.

Figures are calculated in accordance with manufacturer’s criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with the vehicle’s dimensions.

The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions.

尽力采购供应, 以便在标准规格车型中尽可能地展示车辆的关键特征。
Volkswagen Warranty

Three-year Warranty

Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against any failures of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer’s warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is sooner) extended warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer’s two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The Volkswagen Gold Protection Warranty is available for vehicles that are used under normal and routine conditions and the panels of the Beetle are covered against rusting through the inside of the doors, sills, rockers, front fenders and front panel up to a maximum of five years or 90,000 miles. Additional coverage is available for deeper rusting on the rear fender and sill, front panel and undersides of the rear panels up to a maximum of five years or 90,000 miles. The additional coverage is a one-off payment.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details please consult your authorized Volkswagen retailer or repairer.

Volkswagen Service

Volkswagen is pleased to offer you a chance to use Volkswagen service. The appropriate service is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guides.

Service Intervals

The Service Intervals are for vehicles that will be used in the following way:

- Predominantly urban driving, shared frequently by different drivers.
- Frequent high-speed driving, e.g. frequent 100 km/h driving, driving with vehicle fully loaded and towing.
- Driving through very dirty conditions.
- Driving with high loads on engine, e.g. using high engine speeds, using high rpms, driving with vehicle fully loaded and towing.
- The vehicle is likely to be used in the following way:
  - Oil change service – According to fixed service interval display (after 2 years at the latest).
- The vehicle is likely to be used in the following way:
  - Oil change service – According to flexible service interval display (after 2 years at the latest).
- The vehicle is likely to be used in the following way:
  - Oil change service – According to fixed service interval display (after 2 years at the latest).
- The vehicle is likely to be used in the following way:
  - Oil change service – According to fixed service interval display (after 2 years at the latest).

The fixed service intervals are for vehicles that will be used in the following way:

- Predominantly urban driving, shared frequently by different drivers.
- Frequent high-speed driving, e.g. frequent 100 km/h driving, driving with vehicle fully loaded and towing.
- Driving through very dirty conditions.
- Driving with high loads on engine, e.g. using high engine speeds, using high rpms, driving with vehicle fully loaded and towing.
- The vehicle is likely to be used in the following way:
  - Oil change service – According to flexible service interval display (after 2 years at the latest).

The fixed service intervals are recommended for vehicles that will be used more than 10,000 miles in 12 months and if the vehicle is mainly driven for business purposes. The extended service intervals are recommended for vehicles that will be used less than 10,000 miles in 12 months. The extended service intervals are recommended for cars that are used on a regular basis for long-distance travel and driving in an economic manner. With the flexible service, the vehicle can cover anywhere between 10,000 and 20,000 miles or 24 months (whichever is soonest) between oil changes.

The extended service intervals are recommended for vehicles that will be used more than 10,000 miles in 12 months and if the vehicle is mainly driven for business purposes.

Volkswagen Insurance

Get three years’ Volkswagen Insurance cover for free. Add the cover to your fixed price service plan at the dealership. If your Volkswagen was damaged in an accident, wouldn’t it feel good to have Volkswagen-trained technicians using genuine Volkswagen parts? Simpsons is Volkswagen’s accident and main cover which deals with theft and, where it deems appropriate, it will make sure you get the quality and speed of service you would want. Please call your dealer to confirm your details and we will look after your claim from start to finish ensuring your Volkswagen is restored to its highest standard.

Accident Management

If your plan is used by your vehicle, an accident claim will be made on your behalf with no cost to you. The claim is handled by us and by an approved repairer, ensuring your car is repaired and returned to you as quickly as possible.

Communication

To make sure we provide prompt service, please provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Fuel consumption and CO2 Emissions

Fuel consumption and CO2 figures are obtained under standardised EU test conditions (Directive 93/116/EEC). More information is available on the Volkswagen website www.volkswagen.co.uk and the repairer so you don’t have to.

Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 2835230.
